Approval of Minutes  
(IAC-M-132, 8 December)

1. Action: Approved

Probable Communist  
Reactions to Certain  
Possible U.S. Courses  
of Action in Indochina  
through 1954 (SE-53)

2. Action: Approved, as amended.

Budgetary Analysis of  
Intelligence Programs  
(IAC-D-77)

3. Action: Agreed to submit the suggested categories, as amended, to Mr. Macy for his criticism and, if satisfactory for the Bureau's purposes, to transmit them under the draft covering letter as amended.

4. Action: Agreed to initiate with a completion date to be determined according to the schedule adopted by the Planning Board. The Board of National Estimates will shortly consider draft terms of reference with the representatives.

5. Discussion: It was pointed out that the Planning Board's tentative deadline of 26 January would provide little time for creating a thorough estimate, given competitive demands and the lack of an existing estimate on the area. Mr. Armstrong stated that the State Department would be seeking a delay of the policy paper until the newly elected government had served long enough to be assessed.
